# Sunshine Rare Coins Email Newsletter #17 October 2020 Edition!

Welcome to my October 2020 email newsletter. This newsletter is my largest yet with almost 70 fresh new coins just listed on my website!

**Fall COVID-19 Update & Market Report**

Since my last newsletter over the Summer, there has been more expected coin show cancellations. The September Long Beach and November Baltimore shows have both been canceled. A few smaller regional shows have started to take place, but with limited attendance of both dealers and collectors due to COVID-19. The major auction houses have been

performing strong. The announcement of three mega collections being sold over the next year will test the market with the auction of well over 100 million dollars worth of coins. Heritage Auctions will be selling the Bob Simpson and Donald Partrick Collections, while Stacks Bowers will be selling the Larry Miller Collection - the late longtime owner of the Utah Jazz. These coins have been of the market for many years and highlights include a Gem Eliasberg 1804 Dollar and 1894 S Barber Dime, an 1804 $10 graded PCGS PR-65+DCAM, the unique 1866 No Motto Seated Dollar along with two Brasher Doubloons!  All of these coins will be selling with no reserve!

I have been very busy over the last few weeks acquiring some great new coins for the website. A highlight is a special offering of better date Seated Dollars put together over many years. I added a great article about this popular series to my website which you can read at the link below.

https://www.sunshinecoins.com/articles

Another highlight offering is a rare 1856 S Seated Quarter graded PCGS MS-62 CAC from the famous SS Central America shipwreck.  Have you ever seen a silver coin from a shipwreck that earned CAC approval? I recently acquired a 1905 S Barber Quarter in PCGS MS-66+ CAC from the famous D. Brent Pogue Collection. There is only one coin graded finer at PCGS and it is locked up in the famous D.L. Hansen Collection. I am also happy to present the single finest known 1862 Half Dollar graded by PCGS - an amazing MS-66+ CAC! I also have more of my trademark quality collector coins priced for everyone's budget..

There is a supply shortage of coins in the market. Most dealers that I have been talking to have had trouble with their supply stream. With no major coin shows being held for the foreseeable future, it will be interesting to see how dealers react to this new reality. My online sales are at record highs, and new inventory sells quickly. I am buying aggressively, and I

am taking an online first approach with smaller and more frequent new purchases additions.

Please keep checking my website in the next few weeks because I will be adding new coins frequently. Also, please let me know if you have any coins on your want list that I can help you find - not all of my coins make the website. I have a growing number of collectors who give me want lists so I can help them find that special coin. If you are looking to sell your coins, or are interested in consigning coins to me please contact me.

I have just added a large group of choice NEWPS to the website including some premium quality Bust and Seated coins across all price ranges.

Please visit my website below to see my full inventory, and email me at davidbsunshine@yahoo.com if you see anything of interest.
